

Salman Ahmad Khan

Software Developer

Driven software developer with a passion for problem-solving and a fascination for full-stack technologies. Focused on delivering user-friendly and efficient products, constantly seeking new challenges and opportunities to grow as a professional. My aspiration is to craft cutting-edge, user-friendly software that meets and exceeds expectations, delivers exceptional results, and makes a difference in the digital realm.

EDUCATION

B.Tech Computer Science

IUST J&K, India

06/2020 - Present

- My Bachelor's degree in Computer Science has provided me with a solid foundation in the fundamental concepts and practical applications of the field, and it was during this time that I developed valuable skills, knowledge, and experiences that will serve me well in my future endeavors.

BSC(Honors) Degree Mathematics

IGNOU New Delhi, India

01/2021 - Present

- Holding a Bachelor's degree with honors in Mathematics has equipped me with a robust foundation in mathematical concepts and theories, as well as valuable problem-solving skills, critical thinking abilities, and practical experience.

PERSONAL PROJECTS

Created dynamic applications with real-time data using APIs, proficient in fetching data and presenting results effectively. The project portfolio features a diverse range of applications, including a Quran app, Notepad, Weather app, Job website, and more, showcasing a strong ability to harness live data for seamless user experiences.

SKILLS

JavaScript

HTML5

Python

CSS3

MongoDB

SQL

Git

Java

Bootstrap

TailwindCSS

React JS

C++

WORK EXPERIENCE

I have successfully completed several projects independently, demonstrating my ability to work autonomously and deliver high-quality results.

In these projects, I utilized various API tools and techniques to integrate multiple systems and ensure seamless data flow.

Additionally, I have hands-on experience managing database systems. These skills, combined with my strong problem-solving and technical skills, have allowed me to deliver projects on time and within budget.
